

I understand that the FCC is considering a proposal that would lessen Indiana's Telephone Privacy law protections. I urge you to reconsider this issue. It has been HEAVEN since we were added to the list. We DO NOT WANT telemarketing calls in our home. Not even from someone with whom we have an existing relationship. Please, help keep our private time private. It has been especially helpful for my 75 year old mother...she is gullible and HAS BEEN TAKEN by telephone solicitors (just as she has been taken by SWEEPSTAKES offers). Please reconsider any attempt to lessen the impact of Indiana's law. It has been wonderful. Thank you for your time.
